Authorised Signatory

eCert Electronic certificate

This certificate has been issued based on the named individual's successful completion of training and assessment in the category (or categories) detailed overleaf.

It is issued by LPG Training and is valid between the dates shown overleaf.

This certificate is only valid when the following conditions are complied with:

1. Each assessment has been correctly administered at an authorised location by an approved assessor holding a suitable and valid qualification
2. The assessment category forms part of the everyday work activities of the named technician
3. No false or misleading information was supplied to LPG Training at the time of application

Photocopies of this certificate should not be accepted as genuine.

The information contained in this certificate may be validated by contacting [LPG Training at mail@lpctraining.co.uk](mailto:mail@lpctraining.co.uk)

Technicians are reminded that it is their responsibility to ensure that their knowledge remains current. Standards and legislation are constantly changing, and this certificate only proves compliance as of the date of issue.

Misuse of this certificate may lead to its withdrawal or cancellation.

This certificate remains the property of LPG Training and must be returned on request.
